TODAY'S BIBLE STUDY & MEDITATION

KEY IDEAS: Do I recognize that it is important that I delight in the Lord and salvation that He's given me? Do I delight in my salvation or treat it as a technical point of theology? Do I see myself as God sees me, as one that has been delivered from sin's grip and death? Does my demonstrate to others that I'm Christ's servant?

1 **God is the means of my salvation** — *Isaiah 12:2 Behold, God is my salvation; I will trust, and not be afraid: for the LORD JEHOVAH is my strength and my song; he also is become my salvation.*

Why is it important to delight in salvation rather than treat it just as a doctrine?

For what benefits gained through my salvation can I praise the Lord?

2 **I am saved and free from the grip of sin and death** — *Romans 8:2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death.*

Since coming to Christ, what old sinful habits have I been able to lay aside?

Why does Satan pretend that I'm obligated to serve him and serve sin?

3 **I am to now seek to use my freedom as God's servant** — *Romans 6:13 Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness unto God.*

In what ways does my life show that I consider myself to be God's servant?

In what ways does my life show that I'm living in sin's shadow and the past?

Holy Spirit, how do you want to apply these verses in my life today?
